

Salome Pan is the Legal Counsel – Asia of Texas Instrument (“TI”) located in Shanghai. Prior to joining TI, Salome was based in Shanghai for two-years as Senior Legal Counsel for Infosys Technologies (China), an outsourcing IT company headquartered in India. Salome earlier served for two-years as in-house counsel for Hewlett-Packard in China. Prior to these two roles, Salome worked in Shanghai as an attorney with the Norsn Law Firm and the Jinmao Law Firm. Salome obtained her BA degree (with a major in Civil Law and Business Law) from the East China University of Politics and Law, and she passed China’s National Bar Exam in 2005.
